

We have had another full year of competition a balance of qualifiers and fun competitions, we hope you have enjoyed these.

Several ladies have gone on to represent us in National run competitions, Jean Bean and Chrissy Issacs played a pair from West Sussex in the Mail on Sunday and lost on the 18th hole. This years Karen Thorpe and Carol Dell will be playing Hassocks in the first round. Sharon Johnston and Jean Keeling represented us in the Coronation Foursomes. Rita Rice has qualified for the EGM regional qualifier and hopefully will go onto the qualifier at Haywards Heath later this year. Well done to all these ladies.

Details of winners of Trophies are at the end of this report.

Several ladies have had their handicaps reduced either during competition or in the annual review, this was done from the report generated by the competition software and standard of play during fun competitions.

During the year we have run competitions from both the purple and green tees, going forward competitions between October and March will be played from the purple tees and between April and September from the green tees, there may be some exceptions. We have done some research on the length of courses in the area, the length off the green tees falls in the bottom 50% of 30 clubs that we looked at.

You will be aware that the standard scratch of the course has changed, following the course rating last year. The purple tees Par 70 SSS 70 green tees Par 70 SSS 72.

If you have any queries or questions about any of the above, please speak to one of the committee or Chris Purton

Our joint events with the seniors are now to be held quarterly on a Friday, these will be followed by a light lunch. We hope you will enjoy these and we will have Tuesday's just as ladies morning.

A full schedule of events has been planned again for the coming year, the dates for Invitation and some other special events are on the notice board. The full diary which will include dates for Division and Friendly matches will be put on the Ladies page of the Web Site shortly.
