

DIVISION MATCHES REPORT 2017

Our debut year representing Horsham Golf on a course that we ourselves were still getting to know! The feedback from our visiting teams was very positive and we were fortunate that most of our matches were played in good and in some cases even hot weather!

Division 2 were drawn against Sweetwoods, Cooden Beach, Mid Sussex and Ham Manor, we played well, winning 3 matches and losing 5. We won some individual matches at each venue, so no “whitewashes” anywhere. Well done ladies.

Division 3 were drawn to play against The Nevill a new course for most of us with lightning fast greens. Pyecombe was a little more familiar as was Bognor. Results were not in our favour unfortunately and we did not record any wins, although some of the matches were close.

Our hosts at all of the venues made us very welcome and fed us well! The visiting teams describing our “teas” as some of the best they had, thanks to Mourad, Olivia and the team.

We played 6 friendly matches. Cranleigh home and away which we lost at both ends. Rusper, and Ifield which we drew. Slinfold which we lost and Hassocks which we won. Well done to all who played and keep an eye on the noticeboard for this year’s dates.

The support we had from all of the ladies who played was exceptional and we look forward to this coming season and the hope that we can perhaps notch up a few more wins this year.
