

LADY CAPTAIN'S REPORT 2017 – 2018

It is almost 2 years since The Ladies Golf section was formed – how time flies and it seems almost like yesterday that I started my role as Captain !
The ladies section continues to grow and we have 90 ladies as playing members. New members are always most welcome.

Ladies, from the bottom of my heart I want to say a huge and special thank you to you all for making my role as lady Captain such a pleasure. You have been so supportive on and off the course and it is a year I shall never forget.
Of course being Lady Captain is a responsibility , but this is team work and I am deeply indebted to my dedicated and hard working committee ,to Carol Dell for organising Division three and Heather Eagan the Friendlies and to Chris,Neil and all the staff – thank you all.
We have all appreciated the hard work that goes into running a golf club and long may our fun continue.

Throughout the year we have enjoyed a good variety of play at home and away and possibly the highlights were the Invitation Day and Charity Day and 2017 finished with a superb Christmas lunch.
The ladies have enjoyed the joint games with the Seniors and these will continue in the new calendar year – now taking place on a Friday.

Olivia , Mourad and helpers have created a lovely atmosphere in Woody's , whether it is for a meal or just a drink and we are most grateful to them.
The addition of the half way house has brought much joy and the planters outside the building are very decorative.

The planning /building – this is taking longer to come to fruition, but not uncommon !! The building work will cause disruption , but we must remain positive and look forward to the new facilities .

Unfortunately the start of 2018 has been plagued with poor weather – much rain and artic conditions from ' The Beast from The East ' . Hopefully April will spare us too many showers ?!!

I wish Liz and her committee a great year and once again a very sincere and special thank you to you all.

Tessa Martin-Bird
