

The Captain's Log - Xmas Cheer

1 - What a Year: The Dinner Cup, Founder Cup, Captain's Day, Ryder Cup, Loud & Proud, Mixed Open, Turkey Trot...

2018

Thank you all for your continued involvement in Horsham Golf events and for the help given to make all such a success. Woody's deserve praise.

2 - Unbeaten and Supported

Many thanks to all those players and the reserves that put themselves forward to play for Horsham Golf in the Birchwood Cup and the Inter Club Matches. This commitment resulted in two great achievements:

- 1) A 100% unbeaten home record with our last win being secured with the last putt of the last game - nerves of steel!
- 2) A 100% attendance at all matches (home and away). It was great to see all our players supporting the club and each other!

A special thanks to Richard Moules and the Committee for organising these matches and keeping WhatsApp in business.

3 - Another Full Year Ahead

2019

Happy New Year!

Horsham Golf has entered a men's and lady's team into the Daily Mail 2019 Match Play. Qualifiers are being played in January - sign up now!

Wishing you all a Merry Christmas and Happy New Year from all the committee and hope Santa brings you the straightest drives, the truest putts and lowest scores. Especially when playing against other clubs. See you soon, Howard.
